Production Notes

The production of this hilarious tale is part of ArtBarn's 2005 Solstice Celebration in conjunction with the 100th anniversary of the construction of the Schillberg Barn that houses this decade-old art center. The musical centers around a couple struggling to put on a church Christmas pageant that is faced with casting the Herdman kids-- probably the most inventively awful kids in history. You won't believe the mayhem-- and the fun-- when the Herdmans collide with the Christmas story head on! The cast of 48 children representing 10 different St. Croix Valley communities. Peace and good will to all!
